THE EDITOR'S NOTEBOOK

Our January Meeting, which was very well attended, featured our annual members' theme slide presentation, the theme being "Old Favourites". As usual, the imaginations of the members ran rampant and we were treated to a wide variety of excellent and, in many cases, amusing material. Our thanks to all who participated, and to Roger Chapman, who served as projectionist.

The Annual Dinner Meeting will be held on Saturday, May 9th, in the "Captain's Quarters" aboard JADRAN, on the Toronto Waterfront at the foot of Yonge Street. Please set aside that evening for a very special event and watch for full ticket and programme information in our March issue. We regret that, because the meeting is **NOT** being held at the Museum, but rather in a special dining room with limited capacity, members who wish to see the programme must purchase a dinner ticket. Accordingly, be sure to reserve promptly once details are announced in March.

In the New Member Department, a hearty welcome goes out to James Elliott, of Hamilton, Ontario.
