As well, there are wintering at Hamilton a large number of small tugs, workboats, barges, etc., but space limitations prevent us from listing them all.

\* \* \*

The following major commercial vessels are reported to be wintering at the various lake and river ports, which we list as closely as possible by area. As usual, we include ferries, tugs and large dredges ONLY if they have been reported specifically to us and identified as such. We normally do not include scows, derricks, fishboats, small workboats, etc.
