

SINALOA, still with her old name but under Algonquin Corp. ownership, unloads at Toronto in an April 13, 1960, photo by J. H. Bascom.

The date was August 3, 1960, as the camera of the Editor caught STONEFAX outbound at Toronto's Eastern Gap.

STONEFAX was resting on the bottom of the Welland Canal, north of Port Robinson, when J. H. Bascom took this view on October 22, 1966.
