MEETINGS

Saturday, May 9th - Annual Dinner Meeting. Please refer to details below.

THE EDITOR'S NOTEBOOK

Our March Meeting featured "Modern Self-Unloaders and The Ports They Visit", an illustrated programme presented by Capt. Alain Gindroz. We were treated to one of the best presentations we have seen in many years, with Alain's excellent photography illustrating the different types of self-unloaders, the details of their internal workings, and many of the strange "ports" they are required to service. We are most grateful to Alain for the effort which he put into preparing this, his first public presentation, and we hope that he will do another programme for us sometime in the near future.

The Annual Dinner Meeting will be held on Saturday, May 9th, in the "Captain's Quarters", aft on the upper deck of JADRAN, which is moored on the east side of Toronto's Yonge Street slip. (Parking is available in either of two lots located immediately east of the ship.) The bar will open at 6:00 p.m., and dinner will be served at 7:00.

Our Speaker will be K. Corey Keeble, of the Royal Ontario Museum's European Department, who will present "The Discovery of R.M.S. TITANIC", an illustrated lecture detailing the construction, launch, maiden voyage, loss and eventual rediscovery of the infamous White Star Line passenger steamer.

Tickets will cost \$27.00 per person and guests will, as usual, be welcome. Please send your early remittance to William R. Wilson, 173 Glenrose Avenue, Toronto, Ontario M4T 1K7. When reserving, it is important that you specify whether you would prefer a fish or chicken dinner, as either will be available. Tickets will be held at the door for all those who have reserved.
