MEETINGS

Friday, March 4th - 8:00 p.m. at the Museum. Ron Beaupre and Alan Sykes will present "**Perils of the Great Lakes**", an illustrated programme featuring ships on or from the lakes, in as many different types of mishaps that might be imagined. Many rare photos will be included.

Friday, April 1st - 8:00 p.m. at the Museum on April Fools' Day! Come to our **First Annual Fun Quiz** and test your knowledge of ships with assorted clues presented in slide format. This will be an informal event, and no extraordinary marine expertise will be required!

Saturday, May 7th - Please reserve this evening for the **Annual Dinner Meeting**, to be held again aboard JADRAN. Please watch for full details which will appear in the March issue.

THE EDITOR'S NOTEBOOK

The January Meeting featured members' slides of "Ships in Public Service", but the evening really proved to be a contest of wills between Mother Nature and T.M.H.S. Our members from Hamilton and the Peninsula were snowed in, as were many of our locals, but one member made it in from Port Elgin and another from the Soo, as the bad weather hung over the shoreline of Lake Ontario. Those few members in attendance called the meeting a great success, and those who did not make it will never know what they missed!

The first instalment of lay-up lists appears in this issue. If your local port does not appear, it means that we did not hear from you! Please send your list a.s.a.p. so that we may complete our report in the March issue.

In the **New Member Department**, a hearty welcome goes out to Andrew Severson, of Warren, Michigan.
