

LAY-UP LISTINGS - WINTER 1993-1994

In the February issue, we began our annual listing of the various vessels which are laid up at our lake and river ports. There were, however, some ports for which we had not received listings, or for which the information with which we were provided was incomplete or inaccurate. Accordingly, we now present considerable additional information which has been provided by our readers, and we hope that it will be of use to our members at large.

**Hamilton:** To previous listing, Add - ARCTIC TUKTU (tug).

**Port Stanley:** MR. NEIL (drill barge), McASPHALT 401(barge), EVANS McKEIL (tug).
