## THE EDITOR'S NOTEBOOK

The April Meeting featured our Fun Quiz, which appears to have been a great success, enjoyed by all participants. Your Programme Chairman and Editor acted as Quizmasters, posing illustrated questions on subjects as diverse as ship histories, engine sounds, riverside rocks and the colour of the coalsmoke from various steamers. The winning team was "The Shipwrights", consisting of David Bull, Bob Woodcock, Reg Breaker and Reta Morrison, who answered 68 of the 80 questions correctly, and deserve our congratulations. We look forward to another quiz in the future, with members contributing photos and questions.

We extend thanks to all involved in the planning of our May Dinner, and particularly to Bill Wilson for selling tickets and making the restaurant arrangements, to Gordon Turner for arranging the programme, and to our speaker, Capt. Mark Ackert, for his interesting presentation.

Your Editor now begins his summer vacation from preparing "Scanner", and will enjoy the respite. Please watch for the Ninth Issue of Volume XXVI during August, and enjoy a happy summer of shipwatching in the meantime!

In the **New Member Department**, a hearty welcome goes out to B. C. McQuarrie of Spragge, Ontario.
