

Bald photo of Midland Harbour, winter 1923-24, shows tug LUCKNOW breaking ice. On her port side are GLENLIVET, GLENDOWAN, GLENSTRIVEN and GLENFARN.

Another Bald view, also courtesy of Vern Sweeting, shows WINONA when she was running for Playfair and White.

A superb photo by J. W. Bald, courtesy Gordon Wendt, caught WINONA at the town dock, Midland, on the day of a special excursion.
