

The camera of Richard Hildebrand caught MARUBA at Boston on May 6, 1922.
Photo from the Eric Johnson collection, courtesy of Wm. A. Schell.

This very early view of CEMENTKARRIER
in Toronto's Eastern Gap was taken by
J. H. Bascom, very likely in 1930.

The same photographer caught CEMENTKARRIER unloading at the
Polson Street plant of Canada Cement, Toronto, in 1932.
