

This is the only known photo of WIARTON BELLE in passenger service. The two views of her on this page come to us courtesy of C. Patrick Labadie.

WIARTON BELLE was in the fish trade when this photo was taken at Collingwood in 1883 or 1884. Note ATLANTIC and PACIFIC in the background.

WIARTON BELLE's rival was the ill-fated JANE MILLER, seen here in the only known photograph of her.
