

The date is May 7, 1992, and christening ceremonies for JIIMAAN are being held at Port Weller. Photo courtesy OEB International.

Shown here in happier days when she was operating on the east coast is the former Canadian National Railways carferry PRINCE EDWARD ISLAND.

ATLANTIC HURON, only recently returned to the lakes from deep-sea service, is upbound in the St. Mary's River in a July 15, 1992, photo by the Editor.
