## THE EDITOR'S NOTEBOOK

Our January Meeting featured members' slides on the topic "Casualties". A large number of very interesting photographs were presented for the enjoyment of all, and as usual there were some most inventive interpretations of the topic! We should like to thank all those who participated in this annual theme slide night.

In an earlier issue, we mentioned that we would be presenting some special events in order to help cover the cost of producing this newsletter. We now can tell you about one of them. It will be a draw, open to T.M.H.S. members only, for a trip for four persons aboard a lake freighter, presented through the courtesy of Great Lakes Bulk Carriers Inc. The draw will be held at our April Meeting. Full details of this very special event, together with a form for ordering your tickets, appear on a separate page enclosed with this issue. Please reserve your tickets early.

In the **New Member Department**, a hearty welcome goes out to Capt. Donald (Dan) MacRitchie, of Midland, Ontario.
