MEETINGS

Friday, December 1st - 8:00 p.m. at the Museum. Jim Sprunt, of St. Catharines, will present an illustrated programme entitled **"Thirty Years of Shipwatching Along the Welland Canal"**. This should make for a memorable evening. (Note change from previously-announced programme details.)

Friday, January 5th - 8:00 p.m. at the Museum. **Annual Theme Slide Night.** Members are invited to bring up to 15 slides each to illustrate the theme **"Ice"**. It could be ice on water, on ships, or in your favourite beverage, or maybe just the word itself or even the letters in the word. We leave it to our members' imaginations...

THE EDITOR'S LOGBOOK

If you receive this issue, then your fees for the current year are paid. If you know someone who mentions not receiving it, you might suggest that a cheque directed to our Chief Purser would rectify the situation!

We would like to remind members that if they should be planning a move, a timely advice of address change would be appreciated by T.M.H.S. "Scanners" returned by the Post Office cost us money and cause stress for our mailing crew, so your assistance will be appreciated.

The October Meeting was a success, and we would like to thank all those members who brought slides illustrating their summer shipwatching activities and all sorts of other strange things! Our members never cease to amaze us at our open slide nights and we hope for more of the same at our theme night in January.
