THE EDITOR'S LOGBOOK

There was an excellent turnout for the December Meeting and all enjoyed the programme of thirty years of shipwatching along the Welland Canal which was presented by Jimmy Sprunt, one of our stalwart St. Catharines members. We look forward to having Jim present some more of his excellent photography at another meeting sometime soon!

We hope that all of you enjoyed a pleasant Holiday Season and are ready for the new year. As always, we would appreciate the contribution of any items for publication in "Scanner", and particularly suggestions for Ship of the Month features. If you have any ideas, or could submit even a short item for publication, we would be very pleased to hear from you.

In the **New Member Department**, a hearty welcome goes out to Colin Turner, of Radcliffe, England; to J. Neil Mason, of Cape Vincent, New York, and to A. H. MacDonald, of London, Ontario.
