## THE EDITOR'S LOGBOOK

Roger Chapman presented his illustrated programme on the development of Hamilton Harbour at our April Meeting, and the presentation was enjoyed by the large crowd in attendance. We thank Roger for the work he put into the preparation of this most interesting programme and we hope that he will tell us more about Hamilton shipping at a later date.

With this issue in the hands of the members, your Editor begins his annual summer respite from the typewriter. Your next issue, "Mid-Summer", will be coming to you during August, so please be patient and wait to hear from us then. We will have an interesting issue for your mid-summer enjoyment. Meanwhile, we look forward to hearing from our regular correspondents during the summer months so that we may keep up to date on items of marine news for the benefit of the members.

In the New Member Department, a hearty welcome goes out to John G. Perrin, of Prescott, Ontario. We are a bit tardy in welcoming him to the Society because his subscription letter took over four months to reach us in the mail!

Membership renewal notices for the 1996-1997 Society year will be mailed with the Mid-Summer issue.
