THE EDITOR'S LOGBOOK

The April Meeting was much enjoyed by all present. Dr. Gordon Shaw took us on a trip through the Panama Canal, and then up to Muskoka for a look at the steam yacht WANDA III as she was when in operation on Lake of Bays, on her overland journey to Gravenhurst, and as she now appears, in restored splendour, on Lake Muskoka. Our thanks to Gordon for his fine presentation.

By the time our members read these words, the Annual Dinner Meeting will be history. We extend thanks to our speakers, Frank and Nancy Prothero, for their enjoyable programme on shipping along the north shore of Lake Erie. Thanks also go to David Bull and Gerry Ouderkirk for arranging the programme, and to Bill Wilson for selling tickets and making the necessary arrangements with Captain John's for the dinner. Thanks also are due to all those who attended to support this annual event.

Speaking of thanks, we extend same to all who participated in our extremely successful silent auction, and to those who donated memorabilia to be sold for the benefit of the Society and all of its members. Our thanks also go to Gordon Turner and Bill Wilson for receiving and vetting the bids and for determining and notifying the successful bidders. We hope that another such event can be held in the future.
