THE EDITOR'S LOGBOOK

Our March Meeting featured a programme by Capt. David Pease on the subject of off-shore drilling and its navigational aspects. Much of the presentation dealt with drilling in the Arctic. Most of us present knew very little about this subject, and although Capt. Pease greatly increased our knowledge about drill rigs, most of us concluded that we are very fortunate not to have had to work on one, battling Arctic ice or severe storm conditions off the east coast. We sincerely thank Capt. Pease for his most enjoyable programme.

The Annual Dinner Meeting will be held Saturday, May 2nd, aboard JADRAN, which is moored on the east side of Toronto's Yonge Street slip. Parking is available in two lots just east of the ship, and there is ready access via the T.T.C. (Bay Bus or Harbourfront Streetcar from Union Station). The bar will be open from 6:00 p.m. and the five-course dinner will be served at 7:00. Our speaker will be Rev. Chuck Beaton, son of the late Capt. Horace Beaton (of HAMONIC fame), who will present a programme entitled "**Growing Up in a Great Lakes Family**". Members and guests alike should enjoy this presentation.

Tickets will cost \$29.00 per person, which is a reduction from last year, and is a great value considering that it includes five courses of excellent food and also all taxes and gratuities. As usual, guests will be most welcome. Please send your early remittance to our Chief Purser and,
