### S. S. "MANITOULIN"

**YOUR SHIP, the S.S. "MANITOULIN"** is a modern cruise steamer, well furnished and comfortably equipped for the accommodation of over one hundred passengers. The Dining Room is on the Main deck and Observation Saloon on the Hurricane deck—both have full-view windows.

Inside and outside staterooms all have hot and cold running water. (There is no difference in rates of outside or inside staterooms and choice of accommodation is given to those reserving earliest.)

We suggest that you bring shoes suitable for walking as there is plenty of time ashore at various ports of call—incidentally, dress is informal at all times.

### GENERAL INFORMATION

**PARLOUR ROOMS—A, B, C, and D, on S.S. Manitoulin** are considerably larger than the ordinary cabin and contain a double bed and private toilet. The rate for these rooms is one half fare extra per room—whether occupied by one or two persons. Children under twelve (12) years of age and over five (5) half-fare, under five (5) years of age free, when accompanied by parent or guardian. Children under 5 years of age will be charged 50 cents for each meal furnished.

**RESERVATIONS—**When reserving accommodations please bear in mind that each stateroom is arranged for two persons, therefore it is very important to state whether berths are desired for ladies, gentlemen or family, that they may be located properly. In all cases if possible give full name of each passenger.
