THE EDITOR'S LOGBOOK

The October Meeting was a success, with many interesting slides shown and the members checking out our new "home" at the Swansea Town Hall. We thank all who participated. But the meeting ran a bit long and we had to "beg" extra time from the attendant. Please note that we only have the hall until 10:00 p.m. on meeting nights, and that is why we have advertised the meetings to begin at 7:45 p.m. Kindly observe this time, so that our programme can begin sharp at 8:00.

In the Mid-Summer and October issues, we advised members that their fees for the 2000-2001 season were due and payable. We also noted that the October issue would be the last sent to anyone unrenewed. So this issue goes only to those who have paid. If you know someone who complains of not receiving the November "Scanner", you might suggest that they send us \$25.00 and all will then become well again!

In the New Member Department, a hearty welcome is extended to David Hamilton, of Amherstburg, and to George Wharton, of London, Ontario. We are pleased to have you with us in the Toronto Marine Historical Society.
