

Downbound light to
load coal on Lake Erie,
SCOTTISH HERO
was photographed on
the St. Clair River by
Pesha.

We believe this to be a Bald
photo of **SCOTTISH HERO**
taken at Midland sometime after
1910. Note the white
pilothouse. Courtesy Ralph
Roberts.

This bad copy of a poor photo is the only view we have of
SCOTTISH HERO with her upper pilothouse. Taken in
1913, it is from the collection of Richard Simpson Ewans,
courtesy Gerry Ouderkirk.
