THE EDITOR'S LOGBOOK

We thank all those who attended the October Meeting and brought slides of their summer shipwatching activities. Please note that, commencing with the December Meeting, we will be changing to Saturday afternoons for the meetings. We hope this will be more convenient, especially for out-of-town members in the event of inclement weather.

Did you renew for the 2003-2004 season? If you receive this issue, then you did send us your renewal. But if you know someone who says they didn't receive this one, you might gently suggest that they send us their dues.

Does anyone out there have any marine artifacts with which they might care to part to support the next T.M.H.S. Silent Auction? We are looking for more good items and would like to hear from you if you have something you could donate.

In the New Member Department, we extend a most hearty welcome to Peter Morin of Hamilton, Ontario. We hope you enjoy your membership in the Toronto Marine Historical Society.
