THE EDITOR'S LOGBOOK

The December Meeting featured marine videos, and the members present enjoyed several interesting presentations. We thank Programme Chairman David Bull, as well as other members who brought videos.

In the February issue, we will present our annual Lay-up List. We remind the members that, once your local port has received its winter fleet, you should jot down all the names and send them to us. We'll need to hear from you by January 26th if we are to get the list ready in time. See details inside, please.

We still need more items for the next Silent Auction. Thanks to those who have responded already. If anyone else has items they wish to donate, please to contact the Editor.

In the New Member Department, we extend a most hearty welcome to Lloyd Belcher, of Mississauga, survivor of the 1940 wreck on Juniper Beach of NOVA-DOC (ii). We hope you enjoy your membership in T.M.H.S.
