## MEETINGS

**Saturday, January 8th - 1:45 p.m.** at the **Swansea Town Hall**. Annual Theme Slide Night. Please note carefully the date. Our theme will be "Conversions", so bring up to fifteen slides to illustrate anything "conversion" may mean to you. Let your imagination go!

**Saturday, February 5th - 1:45 p.m.** at the **Swansea Town Hall**. Video Show. We will have a number of videos of marine interest for your enjoyment. Let us know if you have one to show.

## THE EDITOR'S LOGBOOK

If you were not at our November meeting, then you missed one of the best programmes we ever have had. Viktor Kaczowski gave a memorable show dealing with the old canallers, the Seaway construction, and the drowned villages. All present really enjoyed the presentation and we thank Viktor for his efforts in putting it all together for us.

We regret to inform our members that **there will be no January issue of "Scanner"**. Your Editor's personal schedule over the holidays precludes putting a January issue together, and not having it will give us more time to work on the February issue, which will, as usual, include the lay-up listings. But even if there is no January issue, there most certainly will be a January entertainment meeting.

In the **New Member Department**, we extend a most hearty welcome to R. W. Rick Redmond, of Sherwood Park, Alberta. We hope you enjoy your membership in the Toronto Marine Historical Society.

And to all members, best wishes for a Merry Christmas and a Happy New Year.
