

A very early photo of GRAINMOTOR shows her in the Lachine Canal. Note that she's flying her christening burgee.  
Bascom collection.

GRAINMOTOR is upbound above Welland Canal Lock 8 in an October 26, 1957, photo by J. H. Bascom.

Seen after her deepening, GRAINMOTOR is inbound at Port Weller in an October 28, 1961, photo from the camera of J. H. Bascom.
