

Looking her prettiest, CYCLO-CHIEF is downbound above the Huron Cut in a September 22, 1939, photo by Capt. William J. Taylor, Bascom collection.

Another Taylor photo, Bascom collection, caught CYCLO-WARRIOR downbound on September 21, 1941.

The camera of J. H. Bascom caught TEXACO WARRIOR in the Toronto Ship Channel after she collided with an Eastern Gap pier on October 29, 1950.
