Thus endeth the first instalment of this winter's lay-up report. If there are any errors or omissions, it is because we did not receive a current list from that area. Additions and corrections will appear in the March issue.

Meanwhile, for their help in putting together this report, we extend our most sincere thanks to (in alphabetical order): Terry Beahen, Carl Ehrke, Rob Farrow, Ken Hillyer, Cy Hudson, Gerry Hutton, George Lee, Capt. Gerry Ouder Kirk, Greg Rudnick and Jimmy Sprunt. News reports appearing on the "Boatnerd" website also were helpful as was the Port of Montreal website. We also wish to add Glen Gardiner to our list of lay-up correspondents.

**Late Lay-Up Information:** Recent reports indicate that the newly-reconstructed Lafarge tug SAMUEL DE CHAMPLAIN (formerly NORFOLK) has left the Sturgeon Bay shipyard and is wintering at Muskegon. We also understand that JANE ANNE IV and SARAH SPENCER departed River Rouge on January 30, apparently headed for Toledo.
