

Here, courtesy Ron Beaupre, is ROYALTON at Port Colborne showing the bow damage sustained in the June 1959 collision with MONROVIA.

John H. Bascom photographed ROYALTON upbound at Six Mile Point, St. Mary's River, on July 18, 1976.

It is 1981 and the dismantling of ROYALTON is under way at La Spezia. Photo by Antonio Scrimali, courtesy Skip Gillham.
