THE EDITOR'S LOGBOOK

At the December meeting, we saw a lot of great images of tugs, past and present. We thank all those who contributed to the programme. We encourage all members to plan on attending the February and March meetings, for some very special marine photos. There will be fond memories galore!

We sincerely thank all those who have sent in their membership renewals. A few friends are still amongst the missing, however, and we hope they soon will realize how much they miss the arrival of "Scanner" each month. We need every member we can get to keep T.M.H.S. afloat.

Winter lay-up time is here and, as usual, our list of lay-ups around the lakes will appear in the February issue. As soon as the winter fleet is in at your local port, please send us a list and include ferries, tugs, etc. It may be mailed to the editor at the masthead address, emailed to us at jay.bascom@sympatico.ca or via the link on www.tmhs.ca, or phoned to (416) 921-8436. This is a huge project each year, so **YOUR** assistance will be very much appreciated.
