

Halton public school board seeking feedback via Have Your Say survey

March 9 deadline to provide feedback

Parents/guardians with children in the Halton District School Board, students, staff and Halton community members are invited to complete a survey.

The Have Your Say survey will provide the board with feedback regarding

the goals and targets in its multi-year plan (2016-2020).

Participation in the survey will help the board identify opportunities to improve schools, with a focus on student achievement and well-being.

The survey will be

available starting Monday, Feb. 5 at www.HaveYourSayHDSB.ca, or via the board's website at www.hdsb.ca.

The survey is available in six languages: Arabic, English, Hindi, Mandarin, Punjabi, and Urdu. The deadline for input is March 9.

"With your feedback, we can help guide meaningful change to improve

student learning, well-being and success," said Stuart Miller, director of education for the Halton District School Board.

"Our goal is to ensure each and every one of our students is able to pursue the pathway of their choice," he added.

The Have Your Say survey is anonymous. Individual responses will be grouped for analysis. Re-

sults of the survey will be shared with the community. A summary of the information collected will be shared with stakeholders by June 2018.

Infographics with highlights from the inaugural survey (2016-17) are available at www.haveyoursayHDSB.ca/SurveyResults. The board says that data continues to support school and sys-

tem improvement planning.

If you have any questions about the survey, contact Terri Blackwell, superintendent of education, at 905-335-3665, ext. 3409, or via email at blackwellt@hdsb.ca.

If you have any difficulties accessing the survey or require technical assistance, email support@engagementhq.com.
