**ZOEY, AUSTRALIAN SHEPHERD CROSS, SPAYED FEMALE, 2 YEARS AND 2 WEEKS**  
Hi! Are you looking for an energetic, athletic and laid-back canine companion? Perhaps an active, 4-legged partner to accompany you on those long trail runs? If so, pick me! I'm a quick learner and I'm looking for a family that can keep up with my activity level. I enjoy going on long runs, playing fetch in the yard, exploring new places and learning new tricks. I will require daily activity and looking for a family that is excited to take me to training and help me learn social skills around people and other dogs. I am full speed ahead most of the day but once I get my energy out, I sleep quietly and peacefully. I have quite a high prey drive and little experience with other dogs and animals. The ideal home for me would be one where my new owners can help me through any fears and anxieties I have developed over the years. A home without other pets would be best and where all family members are 14+. When strangers approach me be quickly or inside my space can still cause me anxiety and fear therefore it is important to me that my new family has handling/breed (or similar) experience. I'm an all-around good natured dog with a lot of affection and had habits to break but I promise, true to my breed, that I am a quick learner! Are you interested in meeting me? Contact the front desk or adoption department today to arrange a meet and greet with myself and my trainer!

**LANA, JACK RUSSELL TERRIER, FEMALE SPAYED, 2 YEARS AND 1 MONTH**  
Hi there, I'm Lana! I may be little in size but I have a big and sparky personality! I am so energetic and when I'm happy, my tail can wag about 100 wags per minute. I can fly from one end of the yard to the other in a matter of seconds and if you show me a tennis ball we are already best friends! I suffer from skin allergies and require a special diet so it is important that my new family are prepared to keep up with my routine so that my skin and coat remain soft and luxurious. As you have probably already guessed, I am a little ball of energy and excitement. I love going on runs, playing ball and interacting with my people friends. If you are looking for a happy, spunky, energetic and fun little Jack Russell Terrier, look no further! I just might be your best match!

**CELINE, AMERICAN BULLDOG, SPAYED FEMALE, 3 YEARS AND 2 MONTHS**  
Hello there! They call me Celine and I am in search of my forever home. I am friendly with people, love to get my little ears pet and I'm an excellent receiver of head and neck massages! I love going on walks and I'm told I get an "A+" for loose leash walking! I also love snacks which will make training me new skills a breeze. I am a sweet girl but sometimes I forget my size and strength! I would be suitable in a home where my new family have experience with large breed dogs and children are 16 years or older. If you are looking for a strong, beautiful, sweet and friendly four-legged addition to your family, ask the front desk to see me today!

**TWIGGY, DOMESTIC SHORT HAIR, SPAYED FEMALE, 4 YEARS AND 11 MONTHS**  
Hey, I'm Twiggy! I was found as a stray in a retail store. I don't remember how I got there, but there were a lot of people around and I was very hungry and overwhelmed. Someone at the store managed to keep me safe until I could be brought to the Oakville & Milton Humane Society, where I have since been living awaiting my forever home. I've received a lot of care during my time here, including some special attention to my ears. I was dealing with some severe irritation due to polyps, but since having surgery, have been doing much, much better! I'm a very playful girl with a lot of energy. I love string toys, rolling around and chasing them is one of my favourite past times. I also love being pet - so much so that I may not let you stop on your own terms! If you'd like to come and meet me, please visit the shelter during our viewing hours!

**WILBUR, DOMESTIC SHORT HAIR, NEUTERED MALE, 6 YEARS AND 10 MONTHS**  
Hello, I'm Wilbur! I was found as a stray and was brought to the Oakville & Milton Humane Society so they could help me find my forever home. I'm quite shy and can act a little skittish sometimes. I'm still trying to learn to trust people. It's unknown how much interaction I really had with them in the past. I'm learning slowly but surely that there's really nothing to be afraid of! With a little patience and a lot of love, I'm sure to come out of my shell. I'd love to be given the chance to show off just how sweet and friendly I can be. Please come by the shelter to meet me today!
