

Victoria Park redesign recognized by Parks and Recreation Ontario

Victoria Park's recent upgrades have been honoured with an award from Parks and Recreation Ontario (PRO) for excellence in park design.

Each year, PRO recognizes the achievements of individuals and organizations that contribute to the development of parks and recreation in communities throughout the province.

Located beside the town hall on Mary Street, Victoria Park received a variety of enhancements, including a new central play area, a commemorative cenotaph plaza, walkway improvements and tree planting in 2017.

The new design complements the many historical elements within the park, improves accessibility to feature areas, and provides ample seating for picnics, public gatherings and quiet reflection. Historical details of the park and surrounding area are also highlighted on new inter-

pretive signs within the park.

"I am thrilled to see the work done to enhance Victoria Park has been recognized by Parks and Recreation Ontario," said commissioner Kristin Scott. "This project was a true

partnership and the town along with the Milton Historical Society, Milton District Horticultural Society and the Royal Canadian Legion worked together to update and enhance this beautiful historic park in downtown Milton for future generations to enjoy"
