Volunteers and staff of Country Heritage Park teamed-up to build a greenhouse out of discarded plastic bottles. The environmentally-friendly initiative was also part of Milton Culture Days. Volunteers Suhaib Aldada, 15, (left) installs another one of the steel rods/ plastic water bottle pieces, with help from Amro Alattar, 16, that form the greenhouse walls.

You make a difference in the lives of our children and families!

Thank you to all of the volunteers at The Darling Home for Kids. You give us your time, the most thoughtful gift of all.
