Help keep student nutrition programs strong and sustainable by attending the annual Spring Breakfast Gala on Friday, May 4

at the Oakville Conference Centre.

The event, which will run from 7:30-9:30 a.m., helps Halton Food for Thought raise funding needed to ensure children and youth are well fed,

ready to learn and have the education needed to develop good eating habits for a lifetime of good health.

When given access to healthy food, every student has their best chance to achieve success, both per-

sonally and academically.

The event includes stories of inspiration, raffle prizes and silent auction in addition to the chance to enjoy breakfast items offered by about a dozen marketplace vendors. Grand prize is two economy class tickets for travel on any Air Canada scheduled destination in North America including Hawaii, Mexico and the Caribbean.

MC is Rick Campanelli, who has hosted shows on MuchMusic and ET Canada as well as Deal or No Deal Canada in a career spanning more than two decades.

To register, and to see some of the raffle, restaurant and auction items, visit [bit.ly/2HHc8Bj](http://bit.ly/2HHc8Bj).

The Oakville Conference Centre is located at 2515 Wyecroft Rd.

## Milton Champion *Carrier of the Year*

Matteo is a wonderful carrier for the Milton Champion. He received many nominations for Carrier of the Year.

Here's what some of the customers on his route have to say about Matteo:

"We have had many different carriers over the years and now have the best one that has ever looked after us."

"My wife and I wish to recommend Matteo for his wonderful service to us and to all of his customers."

"At Christmastime we received a hand-written card with best wishes for the season. Matteo definitely goes above and beyond for his customers."

"We think our carrier, Matteo, should be Carrier of the Year because when he first became our carrier, he gave us a hand-written card introducing himself to us."

"Matteo always delivers the Milton Champion to our front door, wrapped in plastic when the weather is bad. When we see him on the street, he greets us with a smile. Matteo has made receiving the Milton Champion a special experience."
