LET FAITH KEEP YOU SAFE

The Niagara River drops about 188 feet, or 57 metres, at the Horseshoe Falls. Above the falls, there are violent rapids. I am told that before reaching the rapids, where boats are still able to navigate, there is a pedestrian bridge with a sign mounted on it that reads: "Do you have an anchor? Do you know how to use it?"

In our lives, we must have an anchor to avoid spiritual or emotional shipwreck. Faith can be that anchor.

Three young boys were asked to define faith.

One said, "Faith is taking hold of God."

The second said, "Faith is holding on to God."

The third said, "Faith is not letting go!"

Each boy had it right.

Learn more about faith. Visit a local place of worship this week - meeting times are found in the attached Religious Directory.
