(MC) A birthday is one of the most special days of the year for children. On their birthdays, kids get to be the center of attention and the recipient of well-wishes, gifts and praise.

Parents work hard to create memorable birthday party experiences for their children. But faced with the planning process year after year, throwing a memorable birthday bash can be challenging. This year, take much of the work out of the party process by booking a party at one of the locations on this page.

LEARN MORE ABOUT GOD'S POWER

A logging foreman sold a used chainsaw to a city-slicker who had moved out into the woods for a change of pace. He assured the novice woodsman, "This is guaranteed to chop down fifty trees a day." With that promise, the deal was sealed.

However, a week later, the inexperienced adventurer demanded his money back. "There's something wrong with this saw. There's no way it will do fifty trees a day. It can hardly do three trees a day!"

Puzzled, the logging foreman grabbed the saw, pulled the cord, and the chainsaw roared into action, "Bzzzzzzzzzzzzz."

The new countryman jumped back, eyes wide open: "Hey, what's that noise?"

God's power is available to all. We just need to know how to access it!

Learn more - visit a local place of worship this week. See the attached Religious Directory for details.
