

ROAD TIPS FOR YOUR ROAD TRIP

We have all heard of it happening to someone, it has probably even happened to yourself at one time. The family has packed for the annual summer vacation road trip and everyone is excited. You hit the road and halfway to your destination the car breaks down leaving everyone stranded. Your family is stuck in the middle of nowhere and you must find a mechanic, who is virtually a stranger, to fix your vehicle quickly and economically so you can continue down the road.

This situation can be easily avoided allowing your vacation to be enjoyed and remembered as it should. We recommend that you bring your vehicle in for a quick oil change, inspection and tire rotation before you depart.

ADVERTORIAL

Vehicles rarely just break. It is the vehicle's components that wear down over time and excessive wear is what accounts for vehicle failure. Our trusted and highly trained mechanics will be easily able to spot issues that may arise for your upcoming road trips. Problems such as engine/transmission failure, brakes and tire wear just to name a few. Now nothing can be guaranteed not to go wrong, but early road trip prevention is the best way to make sure everything goes right.

For those that don't have a trusted mechanic in Milton for your vehicle, we at Bob's Auto invite you to come down and meet us. We are a family owned auto service repair facility, celebrating our 40th anniversary, located at 18 Commercial Street in the heart of Downtown Milton. We have been serving the community since 1978 and take pride in the service and quality that we offer. We would love to help you! 905-878-7926

SUMMER SPORTS & FUN CAMPS

Multi-Sport Camps are a wonderful way to be active and socialize with others, making new friends and enhancing one's athletic abilities. The Milton Soccer Academy sports camps are held at the Milton Soccer Centre on Main Street near the GO station. Parents can drop their children off at 8AM and pick them up as late as 5:30PM.

ADVERTORIAL

Parents will not need to worry about weather related cancellations and other safety concerns as the MSA has sole use of the facility.

Children ages 6-12 will engage in a variety of sports including soccer, baseball, basketball, flag football, frisbee and general fun games, all on the centre's artificial turf. Camp leaders are OSA certified coaches and we invite guest coaches from the Milton Softball Association, The Lab Basketball and the Halton Blades Epee Fencing club to conduct sessions. Kids can cool down in our air conditioned party room to do crafts or watch soccer games on the big screen TV. Multi-kid families receive a discount. Note: this is a very active camp - children will be tired at the end of the day :) Please contact Dolly at 905-878-0209 or check out www.miltonsoccer.com
