MILTON CHAMBER OF COMMERCE

CHAIR'S MESSAGE

It's officially SUMMER! Whether this is your slow time of year or your busiest time of year, we've got ways to make your summer productive and fun.

VISIT US AT THE MARKET AND SAY HELLO!

Did you know that the Milton Chamber of Commerce's Farmers' Market has been in operation since 1972? That's over 46 years of Farm, Fresh, Fun.

I invite you to visit us on Main Street between Martin St. and James Street. We'll be there every Saturday morning from 7am to 12pm until Oct. 6th. Pick up farm fresh fruits and vegetables, delicious baked goods and even something for the bbq.

It's all here with plenty of opportunities for the kids to have fun while you shop and visit with your neighbours. Milton Transit has a bus for the kids to visit on James Street and the Milton Fire Department can often be found visiting with the locals at the Martin Street side of the market. In fact, come visit us at the Chamber booth in front of The Ivy Arms and say hello!

LET EXPLORE! ESCARPMENT COUNTRY™ BE YOUR GO TO GUIDE FOR SUMMER PLANNING

We are fortunate to live within one of the most stunning areas of natural beauty anywhere. There is an amazing array of choices to fill your days - perfect for getting in lots of summer activities or making the most of a lazy summer day. But how do you choose what to do next?

Turn to the Chamber's Explore! Escarpment Country™ website, printed brochure, online guide or monthly "What's On" e news. You can access all of these resources through the EscarpmentCountry.ca website or look for the printed guide at town hall, your local library or tourist attraction.

Packed with information on local attractions, restaurants and accommodations, these pieces are great ways to trigger your next adventure in your own back yard.
