Pet Adoption

Sweet Pea is a petite one year old orange and white girl who is cute, quiet and sweet. She was rescued and brought to us and is still quite shy and cautious in this new environment, though she lets people approach her and pet her. She is curious and watchful of the world from the safety of her cubbyhole. She has the potential to be a lovely sweet companion in a nice quiet home. If you would like to meet Sweet Pea you can contact us during shelter hours:
