TRY TO KEEP IT POSITIVE

A monk joined a monastery and took a vow of silence - allowed only to speak two words every ten years.

Well, after the first ten years, his superior called him in and asked, "Do you have anything to say?" to which the monk replied, "Food bad."

After yet another ten years, the monk again had opportunity to voice his thoughts. He said, "Bed hard."

Still another ten years went by and again he was called in before his superior. When asked if he had anything to say, he responded, "I quit!" to which his superior immediately replied: "It doesn't surprise me a bit. You've done nothing but complain ever since you got here."

Sometimes, it can be hard to keep it positive. Learn how by visiting a local house of worship this week. Meeting times and locations may be found in the Religious Directory to help you.
