

UNION GAS SUPPORTS TREE-PLANTING, FIRE ALARM PROGRAMS

Union Gas continues to support the community, with recent donations to local fire alarm safety and environmental programs.

A \$5,000 offering enabled Anne J. MacArthur Public School students to plant more than 300 sapling trees at Sunny Mount Park on Ruhl Drive.

The Oct. 4 planting was part of Conservation Halton's From the Ground Up

environmental initiative, in partnership with the Halton District School Board.

Meanwhile, the Milton Fire Department received a \$2,500 boost for its Armed and Ready seniors smoke alarm program, which assists those not able to install or maintain a smoke alarm in their home due to age, physical, mental or financial limitations.

"Union Gas helps fuel quality of life within communities where we work and live," said Mark Egbedeyi-Emmanuel, Hamilton-Halton district manager for Union Gas.

"We do this by partnering with organizations, such as the Town of Milton, who champion solutions for safety, environmental and education issues."

Added Mayor Gord Kratz: "The continued support of Union Gas enhances our ability to provide programs and services to meet the needs of our community.

"We continually work to build partnerships to make Milton a community of choice.

"It is thanks to Union Gas that we continue to be a place of possibility."
