

KIDS HELPING KIDS

Milton Winterhawks photo

The Milton Winterhawks 'A' minor peewee blue team recently donated \$6,000 in non-perishable food and a cheque for \$2,600 to Food4Kids Halton. The money came from a combination of donations and bottle returns, while the three-day food drive was held at the Real Canadian Superstore.

ACORNS TO OAKS

Several years ago, our Kids' Praise shared a dramatic, musical presentation that highlighted one of nature's great miracles - when a small acorn grows to become a mighty oak tree. It doesn't happen overnight - in fact, it takes many years - but after much nourishment and growth, the small seed becomes something large and impressive.

It is the same in our lives, isn't it?

Sometimes, we can feel small and insignificant.

Sometimes, we can believe that we can't be anything impressive or influential.

Sometimes, we can place limits on our potential to grow into something magnificent.

Let me encourage you today that in every acorn, there is an oak tree waiting to be nurtured towards great growth.

We can be nurtured by:

- reading good books
- having positive role models and mentors
- surrounding ourselves with people who will encourage us
- persisting when others are inclined to quit
- using our natural skills and abilities and developing them
- remove the limits that we place upon our dreams

In every acorn, there is an oak tree. What are you doing today to help maximize your potential and your growth?
