Halton police has arrested two people after several break-ins that recently took place in Milton.

As of October, numerous condo residents across Milton had reported their basement storage lockers being broken into and what was inside being stolen, according to police.

An investigation was started in November by the 1 District Criminal Investiga-

tions Bureau. On Nov. 27, detectives and officers searched a Milton home and found a number of items, such as stolen property, computers, documents and identification.

Police also seized just less than 40 grams of crystal methamphetamine and heroin. Two people were then arrested.

Christopher Lougheed, 39, of Milton, was charged with break and enter, possession of property obtained by crime under \$5,000, pos-

session of Schedule 1 substance and two counts of theft under \$5,000.

Taylor Eugenio, 23, of London, Ont., is facing the following charges: theft of motor vehicle, possession of property obtained by crime, unauthorized use of credit card and theft under \$5,000.

Anyone with information on the investigation is asked to contact Det.-Const. Jason Hollinger, of the 1 District Criminal Investigations Bureau, at 905-825-4747, ext. 2490.

Tips can also be submitted to Crime Stoppers "See something? Hear something? Know something?" at 1-800-222-8477 (TIPS) or online at [www.haltoncrimestoppers.ca](http://www.haltoncrimestoppers.ca).
