

# COMMUNITY FEEDBACK INVITED ON TRANSIT MASTER PLAN UPDATE

Milton Transit is inviting the community to provide input for the 2019-2023 Milton Transit service review and master plan update.

The plan will review and recommend service improvements, introduce new innovative services, and implement advanced technologies to support Milton Transit service growth.

In-person community engagement will take place on Wednesday, Dec. 5, through two channels.

A "hop-on, hop-off" information bus-mobile will be on location from 6:30 to 8:30 a.m. at the Milton GO Station on Drew Centre.

In the evening, a drop-in community engagement session will take place from 6:30 to 8:30 p.m. at the Milton Sports Centre, 605 Santa Maria Blvd., with a presentation starting at 7 p.m. Those taking transit to the session can reach the Sports Centre via Routes 2, 7, 8 and 10.

Online feedback is welcome, starting on Nov. 29, on Milton's new online community engagement platform, Let's Talk Milton: <https://www.letstalkmilton.ca/TransitMasterPlan>, including an initial online survey.

"Last year, residents asked Milton Transit for better access to new growth areas, which we achieved this fall," said Mayor Gord Krantz. "I encourage our community members to keep talking about what they would like to see for Milton Transit service over the next five years."

Further community engagement will be done in 2019 when draft recommendations are complete. The draft master plan will be presented to council later in 2019.
