

TOWN STILL ACCEPTS COMMUNITY FUND GRANT APPLICATIONS

DEADLINE IS SET FOR SEPT. 9

With the closing date approaching, local organizations looking for cash funding to support their programs are still encouraged to apply for this year's Milton Community Fund (MCF) grant.

The deadline for application submission is Sept. 9.

The grant program supports not-profit organizations whose initiatives benefit the community through recreation, arts and cultural programs and services. The grants will be awarded to successful applicants in late December 2019 or January 2020.

According to the town's website, roughly \$268,000 is available for the 2019 program.

Milton council established the MCF grant program in 2001 to distribute a portion of funds received from the Ontario Lottery and Gaming Corporation (Woodbine at Mohawk Park). About \$6.5 million has been distributed to various community groups and individuals since then.

For more information, visit the program's website at www.milton.ca/en/live/communityfundgrants.asp.

GTA West Transportation Corridor Route Planning and Environmental Assessment Study, Stage 2

THE STUDY

In June 2019, the Minister of Transportation announced that the government is resuming Stage 2 of the Greater Toronto Area (GTA) West Transportation Corridor Route Planning and Environmental Assessment (EA) Study. Building on the recommendations from Stage 1, the EA Study will identify the route, determine interchange locations and complete the preliminary design for a new transportation corridor within the Route Planning Study Area. The new multimodal transportation corridor will include a 400-series highway, transitway and potential goods movement priority features.

The GTA West Transportation Corridor is vital transportation infrastructure that will help meet the projected growth in both population and employment identified in the *Growth Plan for the Greater Golden Horseshoe (2019)*, and will deliver multiple benefits, including:

- Greater connectivity between urban growth centres;
- Enhanced people and goods movement;
- Improved commuting; and
- Greater economic vitality.

The GTA West Study is being undertaken as an Individual EA in accordance with the *Ontario EA Act* and the *GTA West Corridor EA Terms of Reference*, which was approved by the Ontario Minister of the Environment on March 4, 2008.

PUBLIC INFORMATION CENTRE #2 (PIC #2)

PIC #2 will present the study process, the Technically Preferred Route, the 2019 Focused Analysis Area, and will introduce the opportunity to participate in developing Community Value Plans for the GTA West Study. PIC #2 will be an informal drop-in centre with Project Team representatives available to answer questions. The same information will be presented at each venue. Location and dates:

Thursday, September 19, 2019
4:00 p.m. to 8:00 p.m.
Venetian Salon
Château Le Jardin Conference Centre
8440 Highway 27
Woodbridge, ON L4L 1A5

Thursday, September 26, 2019
4:00 p.m. to 8:00 p.m.
Kinsmen Hall
Gellert Community Centre
10241 Eighth Line
Georgetown, ON L7G 4S5

Thursday, October 3, 2019
4:00 p.m. to 8:00 p.m.
Peel Junior Farmers Hall
Brampton Fairgrounds
12942 Heart Lake Road
Caledon, ON L7C 2J3

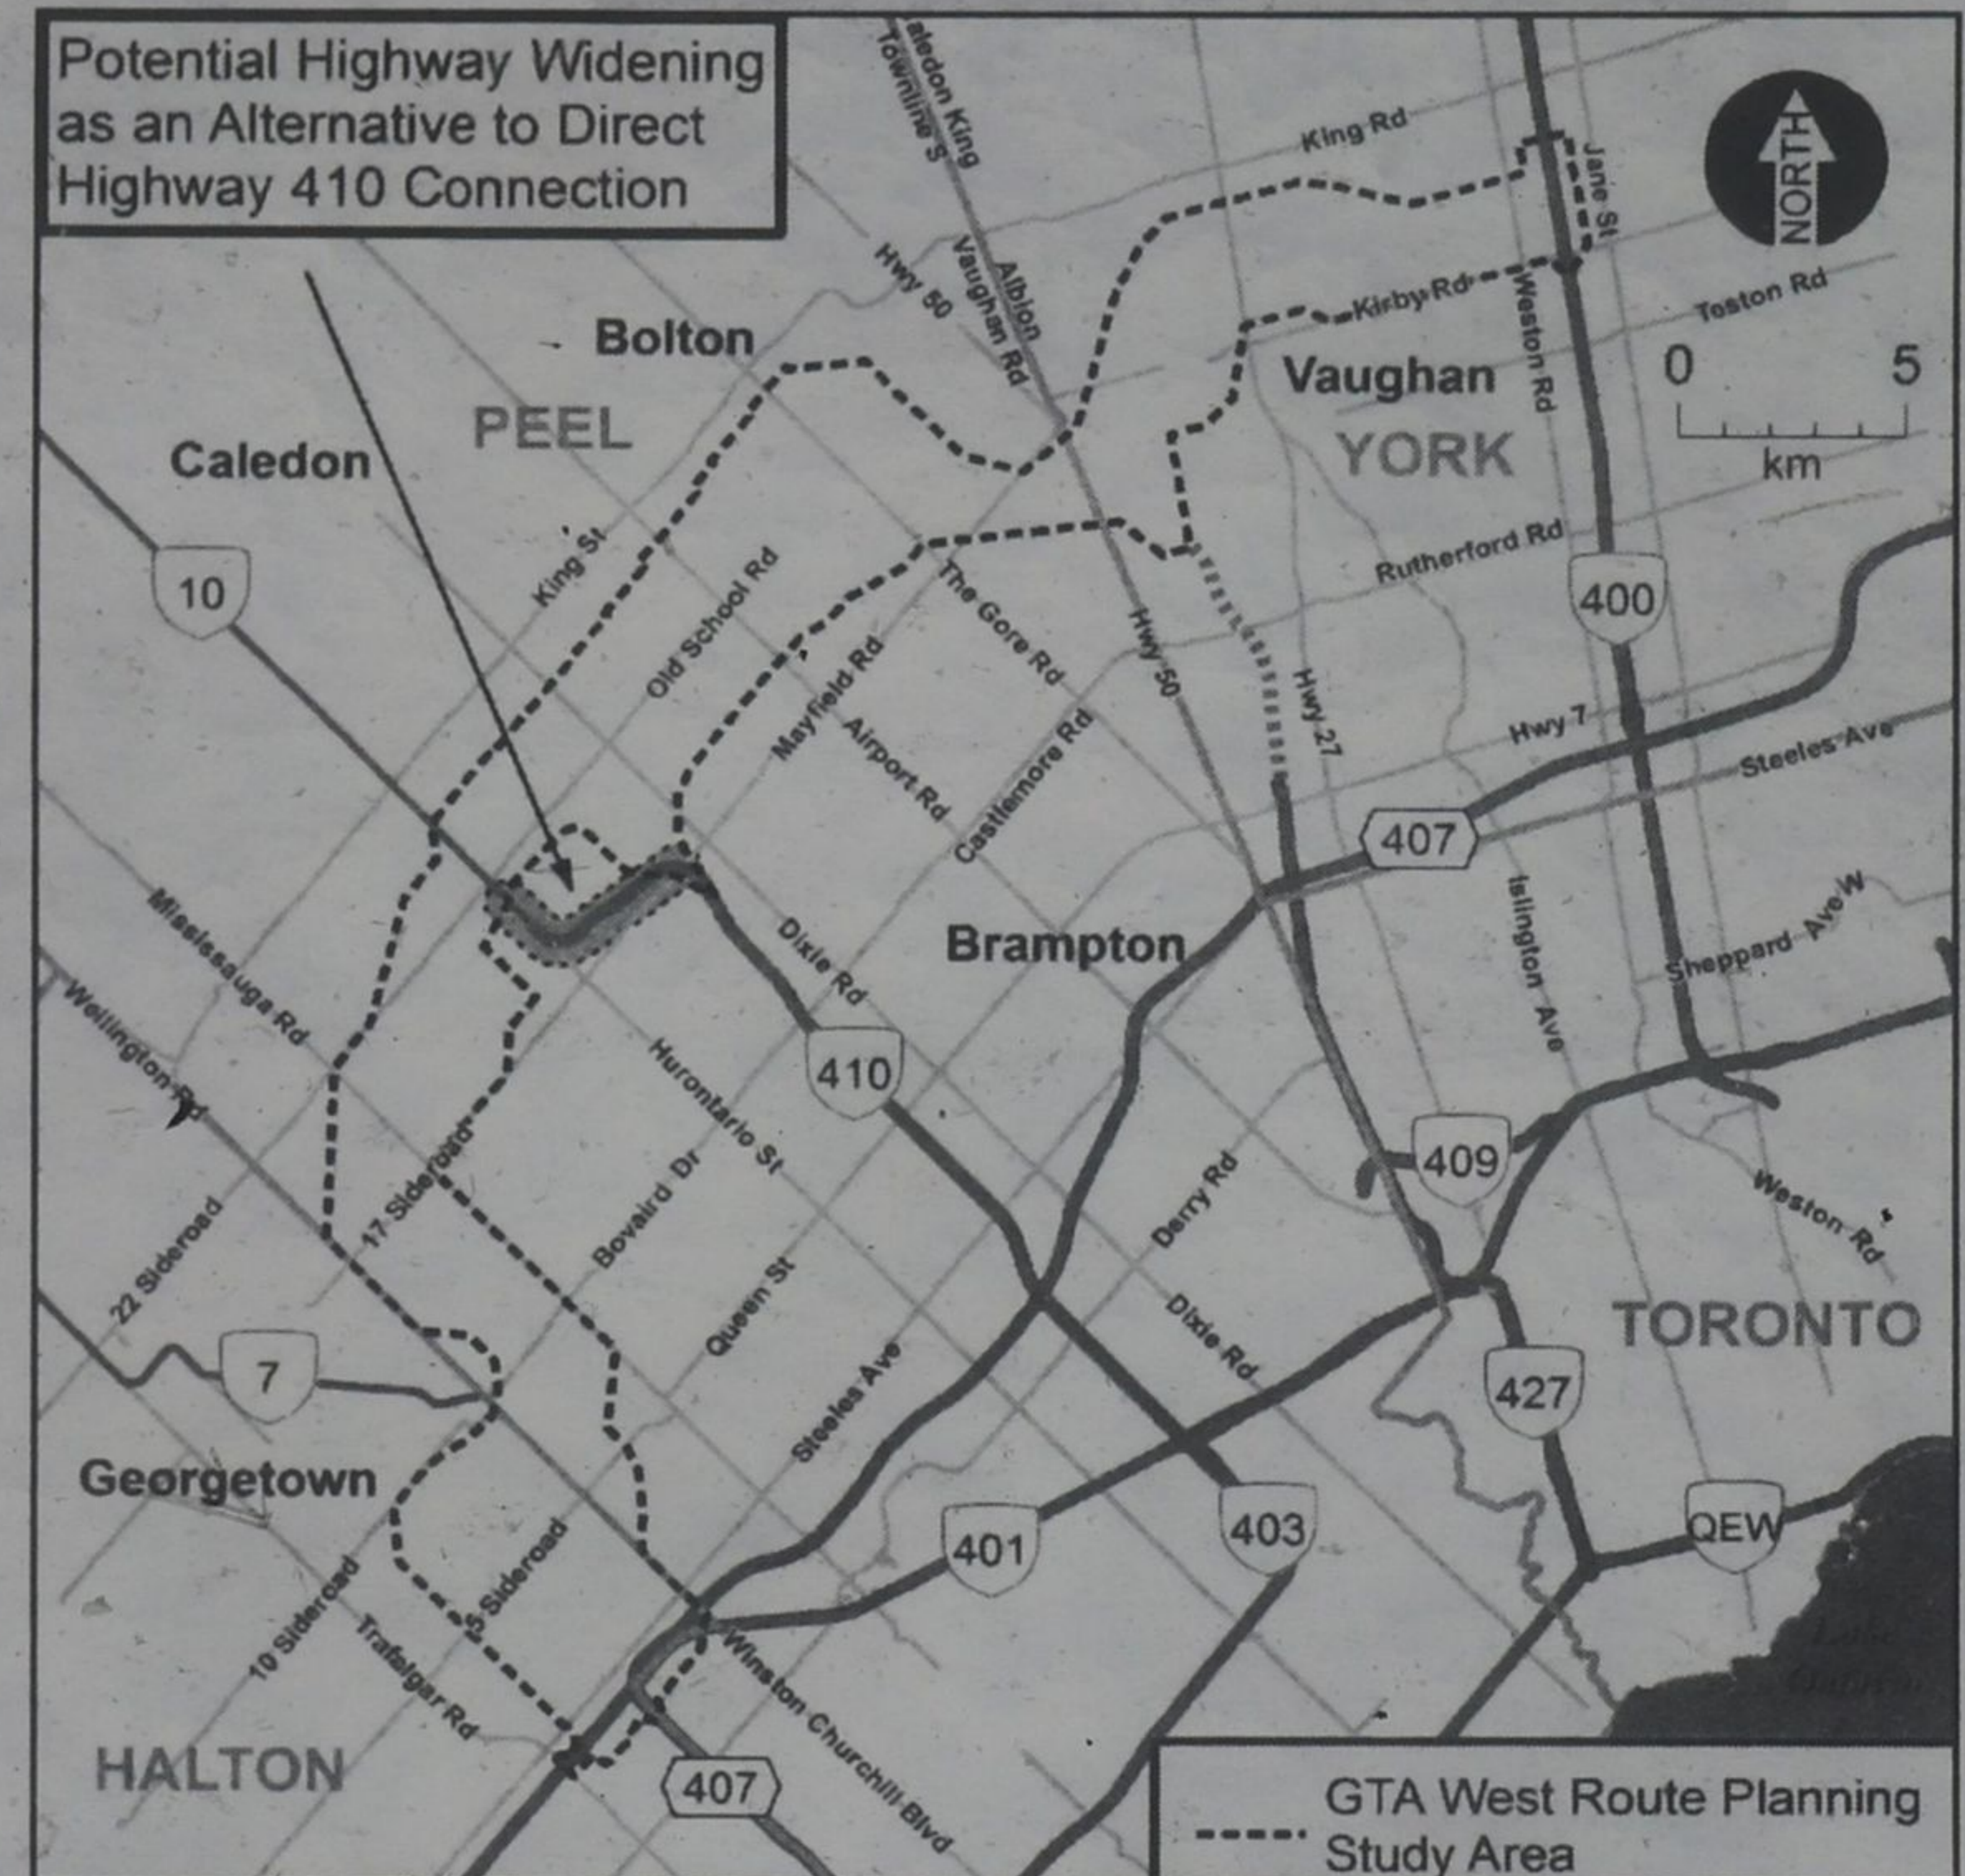

COMMENTS

Comments and input regarding the study are encouraged and will be collected to assist the GTA West Project Team. This material will be maintained on file for use during the project and may be included in project documentation to meet the requirements of the *Ontario EA Act*. Information collected will be used in accordance with the *Freedom of Information and Protection of Privacy Act* and the *Access to Information Act*. With the exception of personal information, all comments will become part of the public record. If you have any accessibility requirements in order to participate in this project, please contact the Project Team. To contact the Project Team directly or to be added to the mailing list, please call the toll-free telephone line at **1-877-522-6916**, send an email to project_team@gta-west.com, or write to the Project Team at the addresses provided below. Study information is available on the project website: www.gta-west.com.
