

HALTON RECOGNIZED AS GTA TOP EMPLOYER

ALSO NAMED ONE OF CANADA'S BEST EMPLOYERS FOR RECENT GRADUATES

Halton Region has once again been selected as one of Greater Toronto's Top Employers for 2020.

The annual competition, managed by MediaCorp, measures a wide range of criteria showcasing organizations that offer exceptional working environments that promote employee engagement and success.

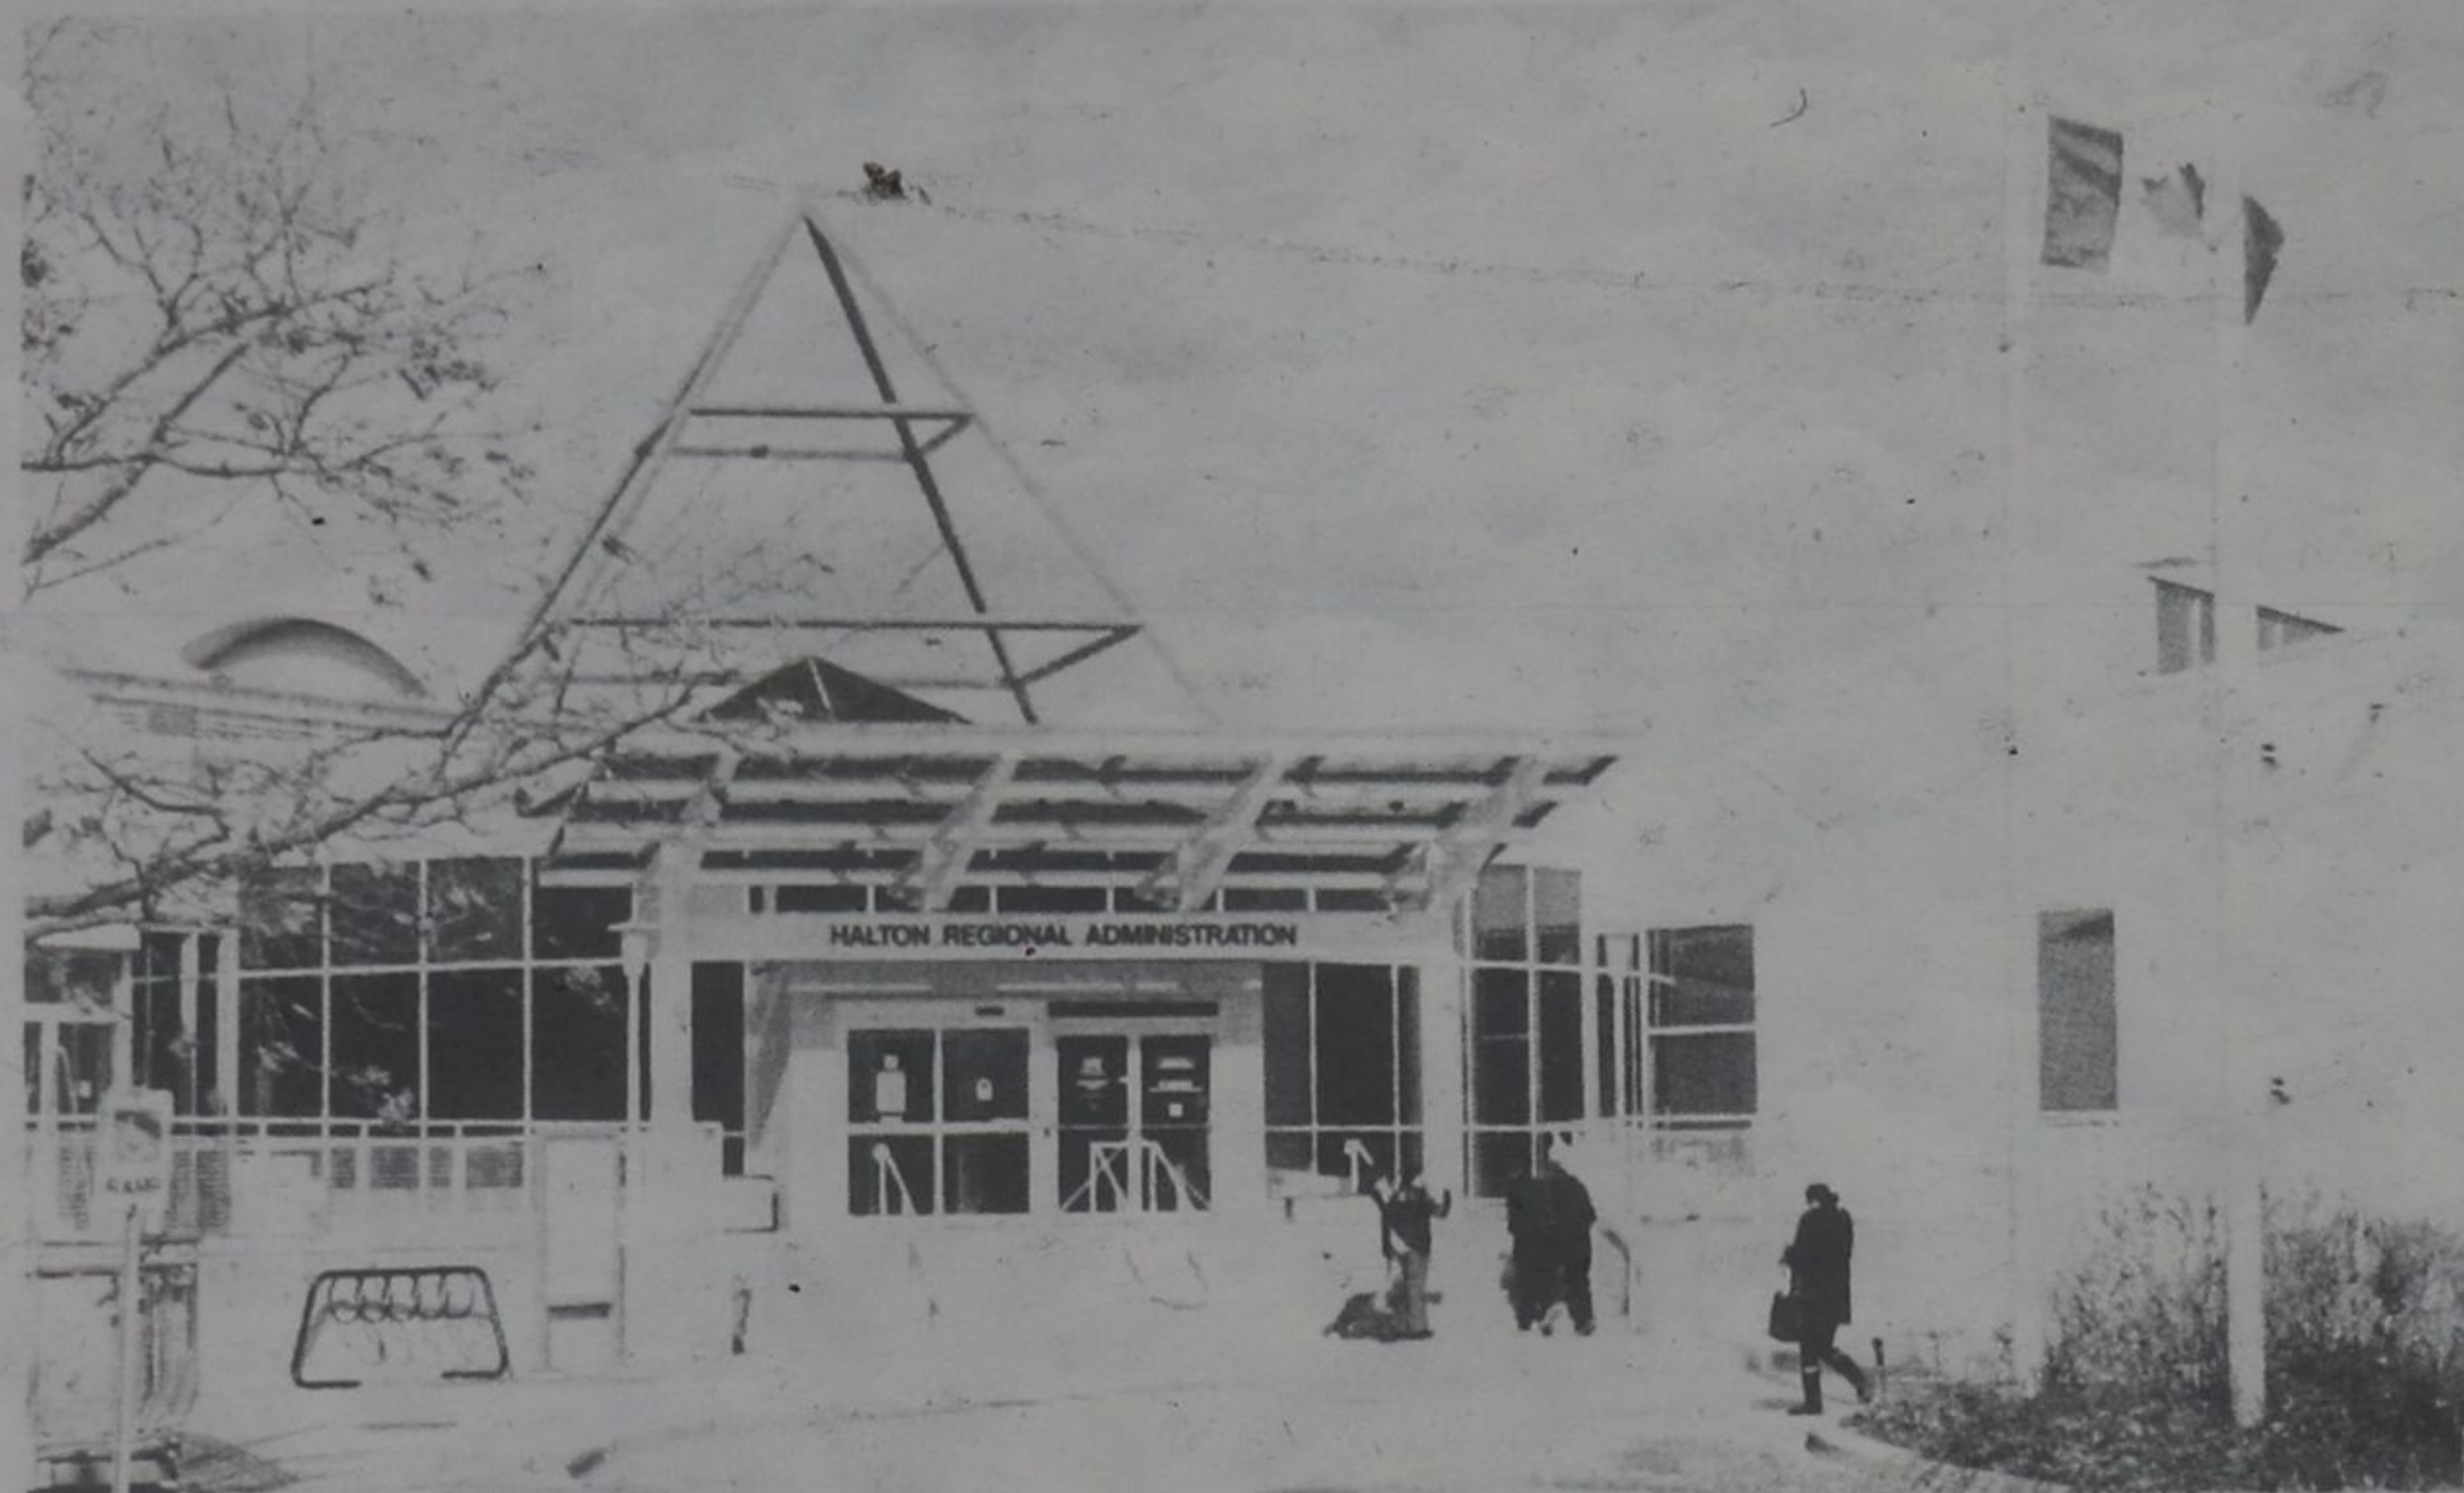

This is the ninth consecutive year that the region has been recognized with this award.

"We are proud to receive the Greater Toronto Top Employers award for another year, and to be recognized as one of Canada's Best Employers for Recent Graduates," said Gary Carr, Halton regional chair. "By creating a sup-

portive culture that offers rewarding careers and nurtures personal growth, we continue to deliver high-quality programs and services to our community. Our dedicated council and exceptional staff are the reason why 97 per cent of Halton residents are satisfied with the quality of services provided by Halton Region."

When considering Halton for the award, MediaCorp reviewed its wellness programs, opportunities for recent graduates, supports for new parents, professional development and training, working conditions and on-site amenities at its administrative headquarters.
