*Warmest
 holiday wishes*

One of the great joys of the holiday season is togetherness: connecting and celebrating with those who are close to our hearts. These are the times that make a house a home. I'm very grateful to have found myself in a career that allows me to help so many Canadians achieve their homes. I'm also privileged to work with a team that strives to deliver a great customer experience and makes this a fantastic place to work. As we prepare for our own holiday celebrations, we wanted to send you – our extended family – the very warmest holiday wishes.
