NEW YORK GENUINE SINGER

MACHINES.

At New York City Prices.

DEPOT-EAST KING AND CORNER OF HUGHSON STREETS.

HE undersigned would respectfully inform the CITIZENS OF HAMILTON and the Public generally that they have established Depo's for the sale of t above CELEBRATED MACHINES, in these premises recently occupied by Mr. CHARLES FOSTER, IN HAMILTON,

Corner of King and Hughson Streets, and adjoining Mr. Glassco's Hat Store; also at No. 34 King Street, in TORONTO, where they intend keeping at all times a full assortment of the

Genuine Singer

MACHINES

AND TO SELL THE SAME AT NEW YORK CITY PRICEST The Singer Machines have been before the public for many years and bave gained for themselves the reputation of being the

BEST & MOST RELIABLE MACHINES EVER MADE! Which statement will be endorsed by nine hundred and ninety-nine of every thousand who have had them in use. We would invite especial attention and inspection of the SINGER LETTER A MACHINE, which for family use, is as much superior to all others made for that class of work, as the genuine Singer IMPERIAL No. 2 is to all others for heavy work. The subscribers would also invite the attention of Harness Makers and Carriage Trimmers to SINGER'S HEAVY IMPERIAL No. 3 MACHINES, which must be seen to be appreciated.

For the information of those who have no practical knowledge of the Genuine Singer Machines, we would say, they use a straight needle and make the interlocked stitch, which is the same on both sides of the fabric and will not rip or ravel out like the chain or knitting stitch, but when properly done will make a seam much stronger and more heautiful than can be done by hand. Please call and examine the Genuine Singer Machines before purchasing any other. Clergymen supplied at reduced prices. Machine oil, Needles, Thread, Silk,

&c., &c. on hand. Agents, also, for Wax Thread Machines. For Prices call at the Gennine Singer Machine Depots as above, or at the Office of the "CANADIAN CHAMPION," Milton. For information respecting the quality of the Genuine Singer's, inquire of all, or any one, who has now, or ever had one in use. N. B.-Sewing Machines repaired promptly and at reasonable prices.

Hamilton, November 1, 1863

or \$700, one half down; the balance in year-Blank Deeds and Memorials ly instalments, with interest. Apply to Jao. John Turner, Wingham P. O., Co. Haron, by letter post-paid. Milton, Feb. 24th, 1863.

HARVESTERI

almost entirely of IRON, very compact. sinple and of great strength, it must be durable The Guards can be removed with ease, being, BOLTED to a Wrought Iron Finger Board. If any should break they can be replaced whilst the machine is, in the field, in a few minutes. In ten minutes it can be changed

from a Mower to a Reaper, and the Reel can be used for both operations. It has NO SIDE DRAUGHT, and the

weight of both Driver and the Raker bears immediately over the driving wheel. It will pass with ease through any ordinary gate, and it has taken more prizes since it has been i operation than any other muchine in the United States and ticko the first Prize at the Couny Show last Fall, in Milton, which was open for Combined Machines to the Province, and for which the St. Georges Machine competed which took the First Prize at the Provincia Show. Several were in operation in the vicinity of Milton during the Harvest. References can be given with regard to the excellence of their operation,

SEPARATORS

HORSE POVERS

The extraordinary succes of of those Machines during the last s as n, needs 10 comment. They have been in operation in various parts of the County, and Thrashers are unqualified in their praise. They will Thrash more and clean better than any other machine in the Province. The SHOE is warranted not to choke, no matter how much grain is put through. Enquire of the Farmers in whose barus they have been, an of the thrashers who have purchased them,
