ABOVE THE CROWD. ["The man must be great indeed whose

In these days of high discerning, Growing knowledge, great and grand, When at last the doors of learning Open to the people stand. He must be indeed aspiring, Self-reliant, yet not proud, Firm, determined, and untiring, Who would rise above the crowd.

His n.ust be a heart unjaded By life's cruel wrongs and strings, Making yearnings, wrecked and faded, Stepping-stones to higher things; All the warmth of youth's bright season. Earnest hope and noble plan. Joining with the subtile reason

And the patience of the man, Few such men there be, my brothers; Look around us, and we see Petty arts to dazzle others, Selfishness and vanity; Conscience, love, and peace forgetting,

Yearnings, tenderest and best, In our levered, foolish fretting, To be greater than the rest. Ah! that 'mid life's outward splendor, And its glitter, bright to view,

We had more of yearning tender For the beautiful and true; More of earnest striving ever For true greatness, throned alar, Less of pititul endeavor To seem other than we are!

Little worth our gifts and labors If we value them alone For the homage of our neighbors, And the glitter round us thrown; He alone is truly lifted O'er the crowd in heart and mind Who with power and patience gitted, Seeks the good of all mankind.

In most of what are called "market towns," in England, it is customary to have an "ordinary," or what is called the future. When near the end of the tell the difficience by hearing of the ear; the niarket dinner, given at most of the garden walk, they came to an excellent but perhaps not. principal inns of the place, where the farmers as well as others who had come to attend the market, came to partake af a plain but substantial dinner; and those would afterward sit and enjoy their pipe and pot of beer, or glass of punch, before they took themselves to RIHARDSON, Proprietor. the road on their homeward drive, for be it remembered, that I speak of times THE Subscriber having leased the prem- | when, had any one broached the idea in | L ises known as the International Hotel, such a company, of our present mode of travel by steam, they would have looked are not over stated, so this will give us on him as too dangerous to be outside |

of a lunatic asylum. After such a dinner, there had conbright silver beercans and brighter glasses, the usual miscellaneous assemblage of guests. Among these was a The locality of the International Hotel- commercial traveller, bagman or packman, as they are termed, whose c' bumpkins, as he considered them, with the vast extent of his acquirements and cockney wisdom. It so happened that he was seated next to a portly old farmer of a most benignant aspect, who had the appearance of being, what indeed he was -well gifted with this world's goods and to him the traveller expatiated on In connection with the Hotel will be kept | the delights of a farmer's life, disclosing ance of matters that he so glibly and knowingly spoke about, to the great internal amusement of his listeners; finally he declared that if he could get
