the country they leave. Toronto, Port gether in the form of a cross. It will Credit, Oakville, Bronte, Wellington then be found impossible to swallow have all lost their quota and it them. There is no decention about

These are only a few of the tricks in on account of the war in Germany, purchased an immense stock of goods at such low figures as will enable them to offer advantages on account of the war in Germany, purchased an immense stock of goods at such low figures as will enable them to offer advantages. I must repeat that I believe the Uni- his repertoire, but they will suffice for the to their patrons unapproachable by any other house in this section of the country. It would be impossible to enumerate the stock, or give any adequate idea of the variety or extent of the different departments. Suffice it to say that they have

> Piles of the Most Fashionable Dress Goods in Canada, Piles upon piles of Prints, Cuses of new Autumn Delanes, Biles of new white and scarlet Flannels, Cases of new Winceys of all colors, Boxes of Coat ngs and Silk Mixtures, and an immente stock of white and grey Cottons, Hollands, Towellings, Linens, Grain Bags and Bagging, &c., &c. Three of the Departments they call special attention to. First, the extensive Show Room up-stairs containing Millinery, Mantles, Shawls, Bennets, Hats, Ribbons, Flowers, Feathers, Head Dresses, Mantle Ornaments, &c., &c. This

> partment is replete with every new design, with several novalties exclusively their own, and is superintended by unrivalled illiners. & cond .- The Ready-Made and Ordered Clothing Depar ment. Ready-Made Clothing. ive Thousand Fall and Winter Suits, from Three to Tuirty Dollars, One Thousand Seven Hundred and Fifty Sack and Frock Over Coats, from Two and a half to Twenty-five Dollars. Ordered Clothing. Having spared neither time nor expense in bringing this extensive branch of their trade to its present unequalled popularity, and having secured the services of first-class cutters and workmen who act with promptness and energy; also, keeping constantly on hand substantial firts class goods, they offer the greatest inducements ever presented to a discriminating public. An immense stock of Hats and Caps in every conceivable style. Third,-Carpets. In order to reduce the im mense stock on hand, they will be sold at cost for cash only. Boots and Shoes. Having concluded a contract with a first class manufacturer's firm, they are enabled to sell those goods at manufacturers prices, which gives them an advantage which no other house can compete with.

B. & McL. in returning sincere thanks for the liberal and unparalleled patronage extended to them the season just closed, would call attention to two immense advantages they possess for the public benefit, viz ,—Purchasing goods direct from the manufacturers in Europe, thereby saving the wholesale merchants profits, and paying cash for them, the discount of which enables them to sell twenty-five per cent cheaper than any other house west of Montreal.

Inspection is Respectfully Invited. Georgetown, October 11th, 1866.
