ould turn up the poison that, in his estimation, lies below; his wheat land lowed so as to keep as much water it as possible; he sows two bushels to the acre, and reaps ten, so that thes i fifth of his crop to seed his help from him, but bears just what i pleases, which is from thirty to thirty though he brags that it is fifty or sixty.

if not remarkable for fattenh us would work his ground with their jack-knife plow. His meadow lands NEXT TO THOMPSON'S HOTEL, MAIN STREET, MILTON. vie d him from three quarters of a ton to a whole ton of hay, which is regularly spoiled in curing, regularly left our ed up and left for the cattle to pull out half trample under foot. His horses would excite the avarice of an anatomand returning from their pasture, they are walking herbariums, bearing speci-O, the cows! If held up on a bright tells us that good milkers are always poor! His cows get what Providence sends them, and very little besides; except in winter - then they have half apeck of corn on ears thrown them, and they afford lively specimens of animated corn and cob crushers--but never mind, they yield on an average, three quarts of

butter quite astonishing. His farm never grows any better. in many respects it gets annually worse .-After ten year's work on a good soil while his neighbors have grown rich, he is just where he started, only his house is dirtler, his fences more tottering, his soil poorer, his pride and ignorance

milk a day! and that yields varieties of

treme, and therefore both of them de ficient in science and in common sense. -If men were made according to our notions, there should not be a silly one which we do not find the weak and foolish men. This is true of farming as of any other calling.

## Quite Amusing.

United States was made by a Louisvile (Ky.) paper the other day. Under the heading "How to go to Europe for no- market price. thing," the writer supplies figures t shew that a citizen of Louisville can go to Great Britain, buy an out fit of clothing and return, just as cheaply as he can buy the same goods in that place! This remarkable statement is supported by the following list of articles and

Louisville British 1 Superfine West of
